

DO ALL THE GOOD YOU CAN

This Week's Verse:

God made us to do good.

See Ephesians 2:10.

Do you ever feel like all the work falls on you? I started when my kids were young, giving them tasks I knew they were capable of doing. As they grew, so did their help and their sense of responsibility to the family. Start small. Show your child how to match socks when you are doing the laundry. Let him or her deliver the socks to each person's room. It can be your child's special task. Encourage the rest of the family to express appreciation for their work.

Try This:

I look for opportunities to let my kids know God uses them to do good. After they put away their toys or feed the dog, I say, God made you to do good. I'm glad I can depend on you to be a good helper.
