APRIL - JUNE 2024

EARTH DAY | EASTER | MOTHER'S DAY  
YEAR END CONCERT | K2 GRADUATION

# Message from the Newsletter Team

**Dear Parents and Guardians,**

As we wrap up this incredible school year, we want to take a moment to express our sincere gratitude for your steadfast support and enthusiasm.

Thank you for being an essential part of our school community and for helping make this year truly remarkable. It has been a genuine pleasure to capture and share the many cherished memories and highlights from the events we've enjoyed together.

From the first week of school, to the joyous Christmas celebration, from the unforgettable Mother's Day, and to the Year-End celebration and Graduation, each moment has showcased the remarkable spirit of our school. Each newsletter has been a celebration of our collective efforts, and we are truly grateful to be part of a team that brings these memories to life.

As we look forward to another year filled with new experiences and opportunities, we remain committed to keeping you informed and engaged with all the exciting happenings at our school.

Wishing you all a relaxing and enjoyable break!

Warmest regards,  
*ISMILE PH Newsletter Team*  
2023-2024

# Earth Day

This Earth Day, we're not just celebrating, we're pioneering! Our community unites to honor the planet by upcycling fashion, infusing old garments with creative, mixed-matched designs. It's an energetic display of sustainability! We extend our gratitude to Ms. Kimmy for organizing the activity and to our seamstresses and school staff for their crucial support, which made the event a success. We're also connecting with nature by tending to our green companions, watering plants, and rejuvenating our surroundings with a thorough clean-up.

Every effort, no matter how small, enhances the beauty and health of our shared environment. Additionally, parent volunteers join in the festivities, adding their unique touch to our eagerly anticipated Earth Day celebration.

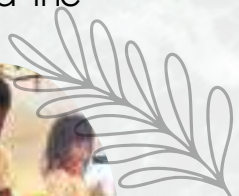

# Easter

On Friday, April 26th, we gathered to celebrate Easter Day, uniting all N1 to K2 classes in praise and worship for Jesus, who rose from the dead to save mankind. The children immersed themselves in the story of Easter, discovering its profound meaning and the symbolism it carries. Engaging in various activities, each class embraced the spirit of Easter in unique ways: N1 crafted doves, N2 created crosses, K1 depicted Jesus through art, and K2 planted seeds in pots, symbolizing new life and growth. It's a moment to express gratitude for the blessings Easter brings into our lives, reminding us of hope, renewal, and the unyielding love of God.

Engaging in various activities, each class embraced the spirit of Easter in unique ways: N1 crafted doves, N2 created crosses, K1 depicted Jesus through art, and K2 planted seeds in pots, symbolizing new life and growth. It's a moment to express gratitude for the blessings Easter brings into our lives, reminding us of hope, renewal, and the unyielding love of God.

We are privileged to have parent volunteers participate in various school events. They have demonstrated tremendous support by preparing child-led and creative activities, showing their love for their children and the class, who are always excited to have them teach.

For Earth Day and the Easter Celebration, several classes benefited from parent volunteers who presented a variety of engaging activities for the children. Their dedication and hard work were evident, with some even preparing tokens to commemorate the activities and the time spent together.

These activities are undoubtedly memorable, fun, and beneficial for the children's learning experience.

# Mother's Day

The heartwarming experience of being a mother is beautifully celebrated by ISMILE during their annual Mother's Day event. As in previous years, this year's celebration brought together mothers and their children for a day filled with engaging activities designed to foster their bond.

The festivities included a variety of delightful activities such as pampering sessions with nail and spa treatments, creating fruit salads together, arranging flowers, and participating in playful tasks like 'fishing heart' and 'feeding banana.' Each of these activities was thoughtfully chosen to enhance the connection between mother and child.

Before engaging in these enjoyable activities, the children took center stage, performing heartfelt songs and reciting poetry dedicated to their mothers. This touching performances set the perfect tone for the day.

A particularly special moment of this year's celebration was when the mothers watched a deeply emotional video that chronicled their journey to motherhood. The video captured moments from pregnancy, showcasing the incredible transformation from the time their babies were in the womb to the unforgettable moment of their birth. This reflective experience reminded the mothers of the profound and irreplaceable significance of their role.

These Mother's Day activities not only warm the relationships between mothers and their children but also offer mothers a chance to revisit and cherish the precious and meaningful essence of being a mother. The event beautifully highlighted how these shared moments and memories contribute to a deep enduring bond between mother and child.

# Turn-Over Ceremony

Thursday, June 20, we held a simple turn-over ceremony in Mirah Hall where Kindergarten 2 children passed the Key of Responsibility to Kaia, Rhylan and Rylan, Kindergarten 1 representatives. Mr. Argel explained to K1A, B and C children the responsibility symbolized by the golden key.

K2 children, represented by Joshua, Kara, Mikaela, and Sharvil asked the K1 children, "Are you accepting the responsibility to be the new leaders, older brothers and sisters in school for the next academic year?"

K1 children replied, "Yes, we do accept!" God bless the new leaders in school. We ended the ceremony with a short prayer for God to bless all K2 children as they move to Primary 1 and blessing for all K1 as they move to the K2 level.

WHAT  
DREAMS  
ARE MADE OF

Year-End Concert  
2024

*Last June 12, 2024, we experienced a delightful event to celebrate the end of another fruitful academic year! The "What Dreams Are Made Of" concert was a joyous exhibition of talents and imagination.*

*The first show featured songs and stories from our beloved Disney Movies Moana, The Little Mermaid, Aladdin, Tarzan, Encanto, and High School Musical. The Nursery 2 and Kindergarten 1 children confidently performed on stage under the dazzling lights. It was followed by a magnificent showcase of skills by the Infant, Toddler, and Nursery 1 children. The children filled the auditorium with glee as they entered the hall dressed up as characters from movies Lilo and Stitch, The Lion King, Mickey Mouse, The Toy Story, The Princess and the Frog, Peter Pan, and Zootopia. Both shows ended with enchanting finale performances by all the cast members.*

*This year-end concert put the children's talents under the spotlight while at the same time fostering a sense of accomplishment and confidence in them. Teachers, parents, and the entire school community were filled with pride as they witnessed this incredible event.*

**DREAM BIG**  
THE WORLD IS YOUR STAGE

**K2 Graduation**  
2024

*Last June 12 2024, the K2 Batch 2024 of ISMILE Permata Hijau had their Graduation Ceremony with the theme “Dream Big: The World is your Stage” at the Tarumanagara University Auditorium.*

*Graduation is an occasion that is anticipated every year because it is the time where we get to celebrate the Kindergarten 2 students for completing their pre-school journey, and it is a time where we get to showcase the talents of each of the graduating students.*

*Since this year’s graduation theme is all about dreaming big, the K2 students got to lead in the singing and performing of all of the praise and worship songs, thank you songs, and they even got to showcase their ability to do a speech in both English and Mandarin—which was the highlight of this event. Each student got the chance to wear a costume of a favorite book or movie character and give a speech with an inspirational message surrounding their character! It was such a beautiful experience to see all the students give their speech as confidently as they can.*

*The Kindergarten graduation is a memorable occasion for every student, parent, and teacher. This is a symbolic event that acknowledges the students' efforts to complete their pre-school education, and that they are on their way to enter a new chapter in their lives. It is a source of pride and honor for the ISMILE Community to see the students confirmed as graduates since the school community has helped in nurturing each and every graduate.*

*As the Kindergarten 2 Batch 2024 leave ISMILE Permata Hijau to continue their journey, may they always remember to dream big and always do their best since the world is their stage.*

*Congratulations, graduates!*  
*We are so proud of each*  
*and every one of you.*  
*Soar high!*
