Week 1

THE LEGEND OF SURABAYA

June 23 - 26

This week, children will embark on an adventure to uncover the legendary origins of Surabaya.

Through storytelling, they will meet the mighty shark (Sura) and the fierce crocodile (Baya), whose epic battle gave the city its name. Hands-on crafts will let them create their own shark and crocodile puppets, while movement activities will help them reenact the dramatic fight. Water play and sensory activities will immerse them in the river setting of the story, and by the end of the week, they will create a collaborative mural of Surabaya, connecting legend with geography.

Week 2

THE STORY OF THE BIRD OF PARADISE

June 30 – July 4

The magical forests of Papua will come alive as children explore the story of the Burung Cenderawasih (Bird of Paradise). They will learn about the bird's beauty and its cultural significance in Indonesia. Nature-inspired crafts will allow them to create colorful feathered masks or bird wings, while movement activities will encourage them to dance like the Cenderawasih.

A sensory exploration of textures, colors, and sounds from the rainforest will deepen their connection to the story, and they will reflect on the importance of protecting nature and its creatures.

Week 3

THE ANT AND THE GRASSHOPPER

July 7 – July 11

This week, children will learn the values of hard work and preparation through the classic fable of the ant and the grasshopper. Engaging storytelling sessions

will introduce them to the contrasting lifestyles of the diligent ants and the carefree grasshopper. They will create simple crafts like ant and grasshopper puppets, engage in role-playing activities to act out the story, and participate in teamwork-based games that highlight the importance of planning ahead.

The week will conclude with a reflection on balancing work and play in a way that nurtures both responsibility and joy.
